KBS Capital Markets Group Names Three Regional Vice Presidents

NEWPORT, BEACH, Calif. (Nov. 1, 2017) – [KBS Capital Markets Group](#), a distributor of alternative investment products, recently announced the hiring of Christopher Cannata and David DiDonato as regional vice presidents. The team also announced the promotion of Russell Browning to regional vice president.

“These three gentlemen bring a strong background of relevant experience to KBS Capital Markets Group,” said Jeff Kremin, national sales manager of KBS Capital Markets Group. “We believe they will be an integral part of our team.”

Mr. Browning joined KBS in 2015 as an internal sales associate. In his new role of regional vice president, he is tasked with building relationships with financial advisors throughout Northern California, Nevada and Hawaii, and distributing alternative investment offerings backed by the institutional experience and service of KBS. Prior to joining KBS, he worked at Cushman & Wakefield.

Mr. Cannata and Mr. DiDonato join KBS with extensive experience as both financial advisors and wholesalers. They were both most recently wholesalers for W.P. Carey in their respective territories.

Mr. Cannata will support the Southeast region, including Alabama, Florida, Georgia and Mississippi, while Mr. DiDonato will support Southern California.

“The growth of KBS Capital Markets Group’s brand and reputation in the industry is a key initiative for us,” said Mick Manning, president and CEO of KBS Capital Markets Group. “The promotion of Russell and hiring of Christopher and David highlights our continued effort to making sure we have the best people in place to offer financial advisors and their clients incomparable service and support for their alternative investment business.”

About KBS Capital Markets Group

KBS Capital Markets Group (“KBS-CMG”) is a distributor whose team connects financial advisors and their clients to KBS-CMG product offerings. KBS-CMG was formed in early 2005 to distribute a broad range of real estate and real estate-related investment products exclusively through investment professionals. The company helps financial advisors and their clients tap directly into alternative investment opportunities targeting both growth and income. For information, visit <https://kbs-cmg.com/>.
