

Redemption Request

This form may be used to request redemption of shares of common stock of the KBS REITs listed below (the "Company"). You should carefully review the complete terms of the share redemption program as set forth in the Company's public filings with the SEC or offering materials, as applicable. Please call (866) 584-1381, option 2 with questions. **If multiple offerings and/or accounts are to be redeemed, a separate request must be provided for each REIT.**

- KBS REIT II** **KBS REIT III** **KBS Growth & Income REIT**
 KBS Strategic Opportunity REIT **KBS Strategic Opportunity REIT II**

The redemption of the shares is subject to all the limitations and restrictions contained in the Company's share redemption program, Articles of Incorporation (as amended), Bylaws and public filings with the SEC or offering materials, as applicable, including compliance with applicable state and federal securities laws. The Company's board of directors may amend, suspend or terminate the program upon 10 or 30 days' notice as set forth in the share redemption program.

Shares may be presented for redemption to the Company only by the owner(s) of record or a duly authorized agent or attorney, upon the due execution and completion of this redemption form and such other documents as the Company may require. To the extent funds are available for redemption, shares will be redeemed on the last business day of each month (the "Redemption Date") at the redemption price as of the Redemption Date. The redemption request must be received at least five business days before the Redemption Date in order for your request to be processed.

As described in the Company's public filings or offering materials, as applicable, there are significant restrictions and limitations on the redemption of shares. If the Company cannot repurchase all shares presented for redemption in the month requested, the Company will attempt to honor redemption requests on a pro rata basis. The Company will deviate from pro rata purchases if a pro rata redemption would result in you owning less than the minimum purchase amount described in the offering materials for the respective REIT's most recent offering of shares, then the Company would redeem all of your shares. If a redemption request is not satisfied at month-end, the Company will treat the unsatisfied portion of the redemption request as a request for redemption in the following month unless the request is withdrawn by written notice received by the Company at least five business days before the Redemption Date.

In the event that a transfer request is received by the Company, where there is a pending redemption request, the pending redemption request will be cancelled.

4. COST BASIS ELECTION

On October 3, 2008, the Emergency Economic Stabilization Act, HR1424, was signed into law, requiring REITs to provide cost basis reporting to their shareholders.

KBS has elected to default, for purposes of these cost basis accounting rules, to a first-in / first-out (FIFO) basis as applicable under these new rules. Unless the shareholder elects to choose an alternative method, KBS will default the account to reflect calculations based on a first-in / first-out (FIFO) basis. Investors wishing to elect an approved alternate cost basis method may contact (866) 584-1381, Option 2.
