

Fairfax Radiological, Hardesty & Hanover and Right at Home Sign More than 30,000 Square Feet in Leases at KBS's Willow Oaks Corporate Center

NEWPORT BEACH, Calif. (June 12, 2019) — [KBS](#), one of the largest owners of commercial real estate, announced today that the following three businesses have signed 30,739 square feet in leases at Willow Oaks Corporate Center in Merrifield, Virginia: Fairfax Radiological Consultants, the largest private radiology practice in the Washington, D.C. metro area, Hardesty & Hanover, a full-service infrastructure engineering firm and Right at Home, a provider of in-home healthcare for the elderly and disabled. The property is owned by KBS Real Estate Investment Trust II.

Willow Oaks is a three-building office park conveniently located in the epicenter of Merrifield's booming healthcare sector, with easy access to the Inova Behavioral Health Center, the Northern Virginia Hospital, the Pediatric Specialists of Virginia and more. Additionally, the building offers a shuttle to Dunn Loring Metro and TRICARE. Willow Oaks offers tenants a solid combination of price, location, access and amenities. The three buildings total 584,003 square feet and were recently renovated.

Willow Oaks is located near the intersection of two of Northern Virginia's busiest commuter routes in Route 50 and the Capital Beltway (I-495). This location is attractive to large corporate tenants who do business throughout Northern Virginia and the District of Columbia. Home of the National Cherry Blossom Festival®, Merrifield offers residents access to the ever-expanding Mosaic District, an urban village that is attracting some of the region's most noted chefs, boutiques, and businesses.

"KBS is extremely pleased to welcome these new tenants to the property," said Stephen Close, senior vice president, acquisitions/asset management for KBS and asset manager of the property. "The improvements and amenities that we continue to build throughout the park are clearly resonating with the local business community. We look forward to continuing successful leasing efforts with office and medical tenants alike and hope they all enjoy the experience of doing business at the improved Willow Oaks Corporate Center."

Willow Oaks offers a wealth of amenities including an on-site café, tenant-only 138-seat conference room, fitness facility with showers and lockers, on-site property management and engineering staff, ample free covered parking and lower level storage. To keep Willow Oaks a best in class experience a 3,000-sf deli with WiFi, extra seating and TVs was recently added to the property along with a new quiet area for reading and relaxing. In the third quarter of this year, tenants will enjoy access to a brand-new tenant lounge complete with TVs, a fireplace, games and a bar area with a flavored seltzer water dispenser. Additional upgrades have been made to the landscaping and common corridors throughout all three buildings and the park.

"Northern Virginia is business-friendly attracting companies such as Nestle and Amazon to move here; it's clear Virginia values business and job creation," said Marc Deluca, regional president Eastern United States for KBS. "We welcome the new tenants to our building, and we look forward to a long and prosperous relationship."

Steady demand for office space continued in the first quarter of 2019, extending the market momentum built during 2018. Net absorption during the quarter measured 633,028 sf, the highest quarterly total recorded since first quarter 2018, according to the Northern Virginia Office Market Report from [Newmark Knight Frank](#). Northern

Virginia has now posted two years of back-to-back positive net absorption - 590,171 sf in 2017 and 1,690,127 sf in 2018.

Mark Roberts of Savills Inc. represented Fairfax Radiological, Dan Brennan of Larsen Commercial Real Estate represented Right at Home and Jude Collins of Cushman & Wakefield represented Hardesty & Hanover. Wes Evans and Steve Hoffeditz of Newmark Knight Frank represented KBS.
